BOAT SALES

LAKELAND LEISURE ESTATES

Description

Capricorn II is a charming 24ft Sports Cruiser built in 1987, offering an excellent opportunity to enjoy comfortable and affordable cruising on the inland waterways. Beautifully compact yet surprisingly spacious, she is ideal for couples, small families, or first-time boat owners looking for a practical and easy-to-manage boat. Powered by a reliable Honda 10HP outboard engine and benefitting from a recently fitted canopy, Capricorn II combines enjoyable cruising with comfortable onboard living.

Designed to accommodate up to four people, the bright and welcoming interior makes excellent use of the available space. Large windows and an opening roof hatch fill the cabin with natural light while providing excellent ventilation throughout. The comfortable lounge area offers a relaxing place to unwind after a day on the water and can also provide additional sleeping accommodation, while a TV adds to the onboard comfort. The dinette creates an inviting space for dining and socialising, featuring comfortable seating and a freestanding table, and easily converts into an additional double berth when required.

The compact yet practical galley is well equipped for preparing meals afloat, featuring a two-burner gas hob, grill, oven, stainless steel sink, and ample storage space for provisions and cookware. The bathroom provides all the essential facilities for extended stays onboard, including a cassette toilet, wash hand basin, shower, and mirror.

Offering four berths, one bathroom, comfortable living spaces, and all the essentials needed for weekends away or leisurely cruising adventures, Capricorn II is a delightful cruiser that represents a perfect introduction to boating or an affordable family getaway on the water. Combining practicality, comfort, and character, she is ready for her next owners to step aboard and start making memories.
