BOAT SALES
LAKELAND LEISURE ESTATES

Description

Eve is a charming 43ft cruiser stern narrowboat built by Delph Marine in 1993, offering a practical, well-designed layout that's ideal for solo cruising or couples looking to explore the inland waterways. Compact yet comfortable, she provides everything needed for relaxing weekends away or extended adventures on the water.

Stepping inside, the accommodation flows from the bedroom through to the bathroom, galley and welcoming saloon. The galley is well-equipped with a Hotpoint freestanding oven, 240v fridge freezer, under-counter storage drawers, attractive wooden worktops and a Morco instant gas water heater, providing all the essentials for preparing meals onboard.

The cosy saloon is the perfect place to unwind after a day of cruising, featuring a charming multi-fuel stove that creates a warm and inviting atmosphere during cooler months. A fitted corner unit provides useful storage, while the clever drop-leaf dining table with integrated chairs maximises the available space.

The forward bedroom offers a comfortable double bed with generous storage, including two overhead cupboards and additional space beneath the bed. Adjacent is the bathroom, fitted with a large shower complete with a folding glass screen, a cassette toilet and a vanity unit with sink.

Powered by a reliable Bukh 20hp engine, last serviced in June 2026, Eve is ready to head straight onto the waterways. She benefits from a Boat Safety Certificate valid until July 2028 and was last blacked with bitumen in 2022. Her onboard systems include one starter battery, three leisure batteries, shoreline hook-up, galvanic isolator, Morco instant hot water boiler, multi-fuel stove for heating, and two 13kg propane gas cylinders.

Whether you're looking for your first narrowboat or a manageable cruiser for leisurely escapes, Eve offers a delightful blend of character, comfort and practicality in an easy-to-handle package.
