## Description

Joie De Vivre is a beautifully presented 21ft river cruiser built in 2018 by Viking. Compact yet comfortable, she is the ideal choice for couples or small families seeking relaxing adventures on the water. With a thoughtful layout and a cosy interior, this cruiser offers everything you need to enjoy life afloat.

Step aboard from the rear deck and into the cabin, where the space has been cleverly designed to maximise comfort. The forward vee berth provides a welcoming double bed, while the dinette easily converts into a second double, allowing Joie De Vivre to sleep up to four people. Whether you're planning a weekend away or a longer escape, there's room to unwind and enjoy your time on board.

The galley is well equipped with all the essentials for preparing meals, including a two-burner gas hob, oven and grill, refrigerator, and a sink with hot and cold running water. Opposite, the dinette offers seating for four and transforms into a cosy berth at night. The bathroom is fitted with a cassette toilet and shower, ensuring convenience wherever your journey takes you.

Joie De Vivre is moored at the picturesque Shakespeare Marina, just a short stroll from the historic town of Stratford-upon-Avon. Perfectly placed for scenic cruising and cultural exploration, she combines the charm of riverside living with modern comforts in a manageable, easy-to-handle size.
