LAKELAND LEISURE ESTATES

Description

Step aboard Rosie, a beautifully presented 30-foot traditional stern narrowboat, built in 1991 by renowned builders R & D. Ideal for weekend escapes, first-time boaters, or anyone looking for a compact and manageable liveaboard, Rosie offers a clean, bright, and airy interior that instantly feels like home.

With a well-thought-out layout—Galley, Bathroom, Saloon, and Bedroom—Rosie maximises space while maintaining a warm and inviting atmosphere. Tastefully updated with quality fittings and finishes, she's ready for her next adventure.

The heart of Rosie's interior is her newly refitted kitchen, completed by respected boat fitter JF. Here, classic craftsmanship meets functionality, featuring a solid oak worktop that brings warmth and natural charm. A brand-new oven, hob, and fridge make cooking on board a pleasure, while the stylish new sink, bespoke storage units, and an array of rails and hooks add a personal and practical touch. Whether you're brewing a morning coffee or preparing a cosy dinner, this galley has everything you need.

Rosie's saloon is a peaceful haven, filled with natural light and furnished for comfort. A pull-out sofa transforms easily into a double bed, making it ideal for guests or relaxed evenings in. The cushions and covers are brand new, providing a fresh, modern feel. Under-seat storage offers practical space-saving solutions, while soft carpet tiles underfoot keep the room warm and welcoming year-round.

At the bow, the bedroom provides a calm and restful retreat. A fixed double bed with storage beneath offers both comfort and convenience, complemented by a brand new mattress for a restful night's sleep. Cupboards fixed to the wall give you space to tuck away essentials, while the insulated vinyl flooring ensures warmth and durability throughout the seasons.

Rosie's bathroom is neat, newly fitted, and well-designed for life afloat. It features a modern shower, a cassette toilet, and a sleek sink with fixed tap. Everything is clean, bright, and ready for use — a refreshing space to start or end your day on the water.

Rosie is a lovely little boat — clean, well-kept, and full of character. Her light and airy interior, paired with modern upgrades and charming details, make her a true gem on the water. Whether you're cruising gently through the countryside or moored up for a peaceful evening onboard, Rosie offers a beautiful blend of comfort, practicality, and style.
